Divided We Fall

Americans in the Aftermath

Driven to action by the murder of a turbaned man in her community, Valarie Kaur drives across America in the aftermath of 9/11 to discover stories that did not make the evening news. From the Ground Zero to the desert towns of the American West, this inspiring journey uncovers remarkable stories of hate violence, fear and unspeakable loss-until she finds the heart of America halfway around the world in the words of widow.

Tamejavi welcomes Associate Producer Judge Brar in presenting Divided We Fall and will participate in a Q&A with the audience following the film.
