

In Search of a Future

A **powerful digital story** that explores the impact that ICE raids have not only on the families of those who are detained but on the community as a whole

SPECIAL SCREENING AND COMMUNITY DIALOGUE

Wednesday
March 4, 2009
4:00pm - 6:00pm

Martin Luther King Jr.
Middle School
601 Lilly Street
Madera, California

- The digital story focuses in on the Immigration and Customs Enforcement (ICE) raids that occurred in Madera, California in April 2007, during which over 25 indigenous immigrants from Oaxaca, Mexico were detained
- Through the digital story, indigenous immigrants living in Madera express their fears of being separated from their families and speak of the trials of living in a country that resists acknowledging their contributions and that labels them as criminals

Documentary Produced and Presented by The Pan Valley Institute of the American Friends Service Committee
